## A VERY SPECIAL Bride

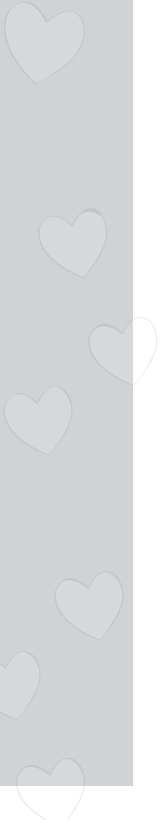

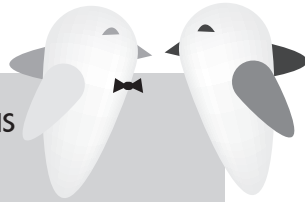

On August 7th, our niece, Dr. Sarah Himes, married Mr. Dan Bartock at the Renaissance Baltimore Harborplace Hotel. Her contemporary, cascade bouquet was a unique combination of trendy new "Blue Bom" orchids and home-grown flowers, including blue hydrangea from Grandma Kitty's garden and white sweet peas from mine! So pretty, and so perfect for her. Best wishes, Sarah & Dan, for every happiness in your life together.
